

Make-up Assignment for Science Option 1

1. Find a current article in a reputable newspaper, magazine, or journal that pertains to a new scientific discovery or idea. (it may be the online version)
2. Read the article. Cut it out or print a copy to include in your assignment.
3. Summarize the article in a 150 word minimum essay. Be sure your work is typed in 12 pt. font and double spaced.
4. Submit the assignment before the Thanksgiving holiday begins. It may be emailed to me or given to me personally in class.
